

Title (as appears in internet)	website	what is it?	where was produced	Language (GR, μεταγλωττισμένο σε GR, EN with GR-subtitles)	target group (A - adults, M - Minors, K - kids)	content
More than honey	https://www.youtube.com/watch?v=Wh_IrBeu-0	Documentary	California, Switzerland, China and Australia	ENG	A & M	The value of the honeybees and their products
The Honeyland	https://www.youtube.com/watch?v=B27ORUHp6E	Documentary	North Macedonia	ENG	A & M	About a women beekeeper in the mountains of Macedonia, that she is making a living by cultivating honey and using ancient beekeeping traditions
The pollinators	https://www.youtube.com/watch?v=rac_D_v-nrc&feature=emb_title	Documentary	United States	ENG	A & M	A journey around the United States following migratory beekeepers and their truckloads of honey bees as they pollinate the flowers that become human's food. Also, is shown the many challenges that beekeepers and their bees face en route reveal flaws to our simplified chemically dependent agriculture system
Dance of the Honey Bee	https://thekidshouldseethis.com/post/46937771628	Documentary short film	United States (Los Angeles)	ENG	A & M & K	About the beauty of the bee society and human's interest
ODE TO THE BEEKEEPERS	ODE TO THE BEEKEEPERS (2021) Documentary Short Film Granite Town Film Project - YouTube	Documentary short Film	Scotland	ENG	A & M	About three generations of beekeepers from the North-East of Scotland, which is famous for its heather honey and rich beekeeping traditions
The Wonder of Bees with Martha Kearney	https://www.bbc.co.uk/programmes/p01t6nz6	Journalistic TV series	England (Suffolk)	ENG	A & M	Series which follows Martha Kearney's bee-keeping year and explores the science, art and culture of the honeybee, the most ingenious insect known to humankind
What If ALL The Bees In The World DISAPPEARED?	https://www.youtube.com/watch?v=c963NhkfNYQ	Educational video	United States	ENG	M & K	It is describing how human's live would change if all the bees in the world disappeared
The hidden beauty of pollination Louie Schwartzberg	The hidden beauty of pollination Louie Schwartzberg - YouTube	Artistic video	France - USA	ENG	A & M & K	Great captures of pollinators visiting flowers, with music on the background
The Beauty of Pollination - Moving Art™	https://www.youtube.com/watch?v=MQiszdkOwuU	Artistic video	France - USA	ENG	A & M & K	Great captures of pollinators visiting flowers, with music on the background
Bees' Needs - National Pollinator Strategy Film	https://vimeo.com/100506458	Educational video		ENG	A & M	The importance of bees and pollinators, the crisis that they are facing and what humans can do to help them
How to Build a Pollinator Garden	https://www.youtube.com/watch?v=M_Ruc-raH7w&ab_channel=GreenOurPlanet	Guidance of construction	USA	ENG	A & M	Guide to Build a Pollinator Garden (land design, election of the right flowers and tips for maintenance it in a longterm
Plants Need Pollinators	https://www.youtube.com/watch?v=F5OceAr0C1c&ab_channel=GreenOurPlanet	Guidance of construction	USA	ENG	A & M	Explanation of the best flower choices that you can do for the bees and the other pollinators
Bees, What would we do without them?	Bees, What Would We Do Without Them? (Grade 4, Lesson 8 from Green Our Planet Curriculum) (video.link)	Educational video	USA	ENG	A	Construct an argument that plants and animals have internal and external structures that function to support survival, growth, behavior, and reproduction
Pollination: Trading Food for Fertilization	Pollination: Trading Food for Fertilization - YouTube	Educational video	USA	ENG	A & M	Explanation of the pollination from a specialist

Pollination: Trading food for fertilization in 3 minutes	Pollination: Trading food for fertilization in 3 minutes - YouTube	Educational video	USA	ENG	A & M	Explanation of the pollination from a specialist (shorter version)
High Point Public Library- What is a Pollinator?	High Point Public Library- What is a Pollinator? - YouTube	Educational video	USA	ENG	A & M & K	Explaining what pollinators are and why they are important for the gardens.
Pollination for Kids	Pollination for Kids - YouTube	Educational video	USA	ENG	K	Explanation of how a flower multiplies and makes other flowers, and Pollination is fascinating to learn, not just because we get to talk about flowers but also because we get to learn about pollinators
Pollination lesson with stop motion science animation for kids	Learn About Bees for Kids Pollination for Kids Beekeeping for Kids - YouTube	Documentary short film	Australia	ENG	A & M & K	Explanation about bees, how honey is made, pollination and how important bees are to our food chain. Also, how healthy eating honey is and amazing bees are
Honey Bees and Other Pollinators - How You Can Protect and Support Them	https://www.youtube.com/watch?v=WBVQGupoxEA	Educational video	USA	ENG	A	Giving advices how to protect and support the bees and pollinators
Pollen & Nectar: Why Are They Important?	https://www.youtube.com/watch?v=Ak5zXO2ZghY	Educational video	Canada	ENG	M	Explanation of the importance of pollen and nectar in the flower reproduction
Pollination	https://www.youtube.com/watch?v=9dpsZOc1b4M	Educational video	USA	ENG	A & M	Explanation about the reproduction of the flower organisms, with the help of animated videos
Pollination	https://www.edumedia-sciences.com/en/media/148-pollination	Educational video		ENG	A & M	Explanation about the reproduction of the flower organisms, with the help of animated videos and a small text
Pollination	https://www.edumedia-sciences.com/en/media/804-pollination	Educational video		ENG	A & M	Explanation about the reproduction of the flower organisms, with the help of animated videos and a small text
Sexual Reproduction in Angiosperms HTML5	https://www.edumedia-sciences.com/en/media/662-sexual-reproduction-in-angiosperms	Educational video		ENG	A & M	Represents the sexual reproduction of a flowering plant (Angiosperm): the apple tree (Malus pumila), with the help of animated video and a small text
Dung Beetle Derby	https://kids.nationalgeographic.com/games/action-adventure/article/dung-beetle-derby	Documentary short film		ENG	A & M	Describing the way of how the dung beetle lives
Bee Trip- A day with bees	https://www.youtube.com/watch?v=1_nMixTzTCc	Educational video	Greece	ENG	A & M	Educational video about the european project BeePath, at Nea Proponitida, in Chalkidiki
Life 4 Pollinators	https://www.life4pollinators.eu/	Educational video	European	ENG	A & M	Short animated video to present the european project Life4Pollinators, about protecting the pollinators and educate the european citizens
Keep the Hives Alive (Full Documentary)	https://www.youtube.com/watch?v=2DSODI2vjoQ	Documentary	United States	ENG	A & M	A movement to raise awareness about the plight of pollinators and how toxic pesticides contribute to their decline
Plant Reproduction: Methods of Pollination (Britannica.com)	https://www.youtube.com/watch?v=RuYrFwDuYnQ	Documentary short film	UK	ENG	A & M	Explaining the diversity of the shapes and reproductional parts in variation of flowers that exist in nature
Pumpkins (Part 1) - FLOWERS AND POLLINATION	https://www.youtube.com/watch?v=cNxr6RN8S2g	Educational video	India	ENG	A & M	Describing the pollination process at pumpkin flower
Male Hummingbirds Fight for Nectar BBC Earth	https://www.youtube.com/watch?v=QTceLKxwHLY	Educational video	UK	ENG	A & M & K	Through good quality video and music, the video explain the way that hummingbirds are fighting for flower's nectar

People, Plants and Pollinators Nat Geo Live	https://www.youtube.com/watch?v=rml_XTrPOMw	Documentary		ENG	A & M	Presantation of the studies that have been in the past about the long relationship between people, plants and pollinators
Why wasps are just as wonderful as bees BBC Ideas	https://www.youtube.com/watch?v=IMGrrFp8Ujo	Educational video	UK	ENG	A & M & K	Short video to explain the importance of wasps for humans
Reproduction in Flowering plants BBC Bitesize science	https://www.youtube.com/watch?v=gncL8ZsbMC0	Educational video	UK	ENG	K	Short animated video about the reproduction in flower plants
Rare Ghost Orchid Has Multiple Pollinators Short Film Showcase	https://www.youtube.com/watch?v=B9llrpOU14	Documentary short film	USA	ENG	A & M	How plants, like Ghost orchids can been adapted and attract pollinators to help them reproduce
Why are bees important?	https://www.youtube.com/watch?v=YaaQUGPXtnU	Educational video	UK	ENG	M & K	Explaining through a short video about the CCD and the importance of bees
Facts About Bees 🐝 - Secret Nature Bee Documentary Natural History Channel	https://www.youtube.com/watch?v=mZTLatV1YIQ	Documentary	UK	ENG	A & M	Detailed documentary of the different wild bee species in nature and their different morphology that have been developed hand in hand with flowering plants
Vitamin Bee: "Pollination"	https://www.youtube.com/watch?v=uDJpk89_Y8s	Educational video		ENG	K	Animated video about bee's life and pollination
Pollinating prisoners, Flowering, The Private Life of Plants BBC Two	https://www.youtube.com/watch?v=Rq5XiKClx3A	Documentary (short part)	UK	ENG	A & M	A short part of a documentary collention, about the adaptation of plants in pollinator's preference. This short video show how some plants "trap" pollinators
The Private Life of Plants (all the episodes)	BBC Chanel archives	Documentary collection	UK	ENG	A & M	A documentary collention, about the adaptation of plants in pollinators' preferences
Is there a future without bees? 6 Minute English	https://www.youtube.com/watch?v=gJOB8nuX1GA	Podcast (short)	UK	ENG	A & M	Discussing about what's being done to find a solution to the problem of bee's population decline and teach the proper vocabulary along the way
An Orchid's Trap Wings of Life	https://www.youtube.com/watch?v=uHjGdTgtXE	Documentary short film		ENG	A & M	How a bee finds himself trapped by the alluring scent of an orchid
Pollinators And Our Gardens	https://www.youtube.com/watch?v=ZBVLTz4xuQ	Educational video	USA	ENG	A & M & K	Discover how important pollinators are to our gardens and food supplies
The Incredible "10% Rule" That Every Gardener Should Use Increase Yields & Pollinators	https://www.youtube.com/watch?v=p_YwQKVtam8	Educational video	UK	ENG	A & M	Advisory video about gardening and how to increase the population of pollinators in the green spaces
What Are Pollinators	https://www.youtube.com/watch?v=fOMbAegJ1wQ	Educational video		ENG	M & K	Animated video about the definition of what a pollinator is
Pollinator Power: Their Amazing Story	https://www.youtube.com/watch?v=WqxvyYIK7mE&list=PLpAwLnJ-fvW5N6yEAVlibxYa9sx1WtVcK	Educational video	USA	ENG	A & M	A Youtube playlist with main subject the pollinators and their power
Parts of a flower and Pollination The Dr. Binocs Show Learn Videos For Kids	https://www.youtube.com/watch?v=djPVgip_bdU	Educational video		ENG	K	Learn about parts of a flower and process of pollination
Pollinators For Kids Educational Show For Kids	https://www.youtube.com/watch?v=8Tref11iulC	Educational video		ENG	K	Teaching what a pollinator is, who they are, and what they do. Also, exploring the world of bees, butterflies, and hummingbirds, and the roll they play in pollinating flowers
The Critical Importance of Pollinators	https://www.youtube.com/watch?v=6362aJNNt1s	Promoting video		ENG	A	Describing the project of IPBES about pollinators and food production
Pollinators	https://www.youtube.com/watch?v=CUGiohXMjo4	Promoting video	European	ENG	A & M	Decribing of the way to help through citizens science the pollinators and learn about them
Pollination For Kids	https://www.youtube.com/watch?v=PCVgFoa9Kc	Educational video		ENG	K	Learn about parts of a flower and process of pollination

Learn About Pollinators	https://www.youtube.com/watch?v=VEQfr5rx1IQ	Educational video	USA	ENG	M & K	Learn about pollinators and discover how pollinators make it possible for plants to thrive
BBC Bees Butterflies and Blooms. Part One of Three	https://www.youtube.com/watch?v=uAEohfZ4B-o	Documentary	UK	ENG	A & M	Following the journey of a journalist around UK, that concentrate in the rapid decline in pollinators and how to reverse it
BBC Bees Butterflies and Blooms. Part Two of Three	https://www.youtube.com/watch?v=dltqpa6THHQ	Documentary	UK	ENG	A & M	Following the journey of a journalist around UK, that concentrate in the rapid decline in pollinators and how to reverse it
BBC Bees Butterflies and Blooms. Part Three of Three	https://www.youtube.com/watch?v=YE0EEEx2_aNc	Documentary	UK	ENG	A & M	Following the journey of a journalist around UK, that concentrate in the rapid decline in pollinators and how to reverse it
Pollinators Under Pressure	https://www.youtube.com/watch?v=M9uwzrPO51w	Documentary		ENG	A & M	Is a part of the film that will inspire human action – and will provide the resources necessary to empower individuals to protect pollinators, their habitats, ecosystems and thereby our global food supply
Power for Pollinators Premiere	https://www.youtube.com/watch?v=WJJDIV7qWn0	Documentary		ENG	A	It showcases remarkable images of bees and other pollinators in their natural settings, perspectives from world-renowned scientists, and bold statements by power company managers
Why Protect Pollinators? California Academy of Sciences	https://www.youtube.com/watch?v=p8uxJnNteNY	Educational video	USA	ENG	A & M	Explaining why to protect pollinators
Bee Friendly! The Importance of Pollinators	https://www.youtube.com/watch?v=gkF3dCiOI08	Educational video	USA	ENG	A & M	The short video talks about the key role of pollinators in the global food system
Pollinator Habitat 101: Incorporating Flowers on Farms to Support Bees	https://www.youtube.com/watch?v=5ogpp7-lksQ	Educational video	USA	ENG	A & M	Helping to understand how incorporating flowers on farms, can support the pollinators
Benefits of Planting Flowers for Bees	https://www.youtube.com/watch?v=GyGaMD5BFMU&list=PLHVbmxWVbX2FGjlcw1QF99y8YU8S7kFAz	Educational video	USA	ENG	A & M	Helping bees to find a safe habitat in rural area
What's the Buzz About Wild Bees? California Matters w/ Mark Bittman The New York Times	https://www.youtube.com/watch?v=ImS90ZCrzuo&list=PLHVbmxWVbX2Hn3R22UbWN5z7i2BK4ATLB	Documentary short video	USA	ENG	A & M	How wild bees effect humans and the opposite
How Worried Should We Be About the Bees?	https://www.youtube.com/watch?v=rhJ1-CRL1Ow	Educational video	USA	ENG	A & M	How the extinction of honeybees will lead to some sort of bee-pocalypse doomsday scenario for humanity
Top 5 Facts about Bees	https://www.youtube.com/watch?v=fOiZm_hE004	Educational video		ENG	A & M	A few information about bees
NATIVE POLLINATORS	https://www.youtube.com/watch?v=iYKVI8ayzsw	Documentary short video	USA	ENG	A	Importance of native bees and the CCD phenomenon
Chasing Bugs	https://www.facebook.com/watch/?ref=saved&v=523751181626832	Documentary short video	USA	ENG	A & M	Ideas and some information how to increase the number of bugs in the backyard
Busy Bees! A Lesson on Pollinators	https://www.youtube.com/watch?v=vOOCz1ABTdk	Educational video	USA	ENG	K	Very detailed educational video with stimulation of the pollination process
Plant For Pollinators!	https://www.youtube.com/watch?v=ar7iRW-tTI4&list=PL8OwpJmur8rtBzwdlHTCv_Oku6bYrBYQG	Educational video		ENG	A & M	Video with subtitles to learn what kind of plants to put in our gardens to help pollinators
Pollinators in Action!	https://www.youtube.com/watch?v=hZMAC6t5_tl	Documentary short video		ENG	A & M & K	Close up videos of pollinators in action

Saving Pollinators One Garden at a Time	https://www.youtube.com/watch?v=RYiyIarohLc	Educational video	USA	ENG	A & M	The video introduce the different kinds of pollinators, give expert tips on how to make your own space pollinator-friendly and show you how you can get it recognized as an official "Certified Wildlife Habitat"
Flowers and Their Pollinators: A Perfect Match!	https://www.youtube.com/watch?v=pnBoM4idf1k	Educational video	USA	ENG	K	Explanation of flower and pollinator relationship
Ladybug for Girls: Bees & Insect Pollinators at the Wylde Center Garden	https://www.youtube.com/watch?v=PhVXU2rEa4Q	Educational video	USA	ENG	M & K	Discover bees and pollinators with Charlise and Sarah at the Wylde Center community learning garden
Nature's Partners: Pollinators, Plants, and People	https://pollinatorlive.pwnet.org/webcasts/natures_partners.php	Educational videos	USA	ENG & ESP	M & K	Scientists and educators explain pollination, plant-insect interactions, how to study pollinators, their importance to the food supply, and what people can do to help
Webcast: The Insect Zoo in Your Schoolyard	https://pollinatorlive.pwnet.org/webcasts/webstream.php	Educational videos	USA	ENG	M & K	Learn about pollination, pollinators, participatory science projects, the latest about monarch butterflies, and how to attract pollinators to the schoolyard
Webcast: Honey Bees, Native Bees, Gardening, and More	https://pollinatorlive.pwnet.org/webcasts/bees.php	Educational video	USA	ENG	M & K	Learn about native and honey bees, tour the youth garden, and learn how good nutrition and pollinators are connected
Pollinator Garden – Kids Takeover	https://www.youtube.com/watch?v=s56bvflhj1U	Educational video	Canada	ENG	M & K	Learning to plant a pollinator friendly garden in the yard or in a window box
Pollination and Fertilization	https://www.youtube.com/watch?v=fEoFfhLgKwA	Educational video		ENG	A & M	The video describes pollination, types of pollination, fertilization and how plants avoid self pollination with examples
Attracting Pollinators and BENEFICIAL insects 2020	https://www.youtube.com/watch?v=kDCsg9G9wCA	Promoting video	Canada	ENG	A & M & K	A video with music and some phrases, that is promoting pollinator protection
Bees Not Lawns! How to Attract Pollinators	https://www.youtube.com/watch?v=a4mEEYiQi2M	Educational video	UK	ENG	A & M & K	Through humor and some interviews, got introduced to the bee diversity and the ways to increase this number in the urban areas
Garden Tour - Pollinator Heaven	https://www.youtube.com/watch?v=O5vFuXAsFJ8	Educational video	USA	ENG	A & M	Numerous of plants that are good to use for the construction of a pollinator "heaven"
Unusual Pollinators	https://www.youtube.com/watch?v=kIF6HCdjoIq	Educational video		ENG	A & M & K	Introduction to some unusual pollinators that are in nature
The Importance of Pollinators	https://www.youtube.com/watch?v=n3KlnaB4etI	Educational video	UK	ENG	A & M & K	The is pollination and how much importance is
Protect the Pollinators	https://www.youtube.com/watch?v=xwD8N1KY3Rk	Educational video	USA	ENG	M & K	There are growing concerns as to what the impact will be on food production. Through this challenge, students will become more aware of the important role pollinators play in our daily lives and how to help protect the various populations. After thoughtful research, students will design, test and demonstrate a solution that will sustain or improve pollinator well-being.
People and Pollinators	https://www.youtube.com/watch?v=fO1OOXx-678	Educational video	UK	ENG	A & M & K	Exploring the relationship between pollinators and people and what we can do to help them
Fig Wasp Story	https://www.youtube.com/watch?v=8fpKDtLjvaI	Educational video		ENG	A & M & K	Through animated video, it is introduced the meaning of mutualism with the example of the fig wasps
Coevolution of Pollinators and Plants	https://www.youtube.com/watch?v=r3PguLx4Iq	Educational video	USA	ENG	A & M	Humoristic video that wants to talk about coevolution of the pollinators and the plant, through a tv reality show
Pollinating With Bubbles and Some Other Good News You Might Have Missed	https://www.youtube.com/watch?v=aADc77hHkYo	Educational video		ENG	A & M	Inform the viewers that recent bees might have help with their jobs soon, thanks to bubble pollination

Night Flowering & Tiny Honey Bear Babies Jungle Nights BBC Earth	https://www.youtube.com/watch?v=SiV3PILPlgU	Documentary short video	UK	ENG	A & M & K	Shows how a night flowering plant attracts mammal pollinators (like the tiny honey bear) that ruin the flower to take the nectar, or a kind of a bat.
EU Pollinators Initiative	https://www.youtube.com/watch?v=SsS8xAWKHkw	Promoting video	European	ENG	A & M	Promote the EU initiative for the protection of the pollinators
Pollinators: Free Pollination Services	https://www.youtube.com/watch?v=gl9Ess6SGOQ	Educational video	USA	ENG	A & M & K	Explaining the pollination services that pollinators provide to humans
Pollinators and Predators	https://www.youtube.com/watch?v=4cT2-euv9Ak	Video		ENG	A & M & K	By showing numerous of flowering plants and the visit of their pollinators and their predators, the viewer can learn about the ecology of a garden
EBC Events: 2021 Summer of Pollinators - Bees	https://www.youtube.com/watch?v=vJZiT98kaZ8	Online event	Canada	ENG	A & M	Presentations speech of a Canadian specialist on wild bees
Plant's Life Cycle BBC Bitesize science	https://www.youtube.com/watch?v=AcSgaUBwln4	Educational video		ENG	K	Animated video to explain the life cycle of the plants
Xerces Classroom: The Natural History of North American Pollinators	https://www.youtube.com/watch?v=kZOeioJ7b7g	Online event	USA	ENG	A & M	Presentations speech of an entomologist from USA about pollination, why pollinators matter, and what you can do to help pollinators in your own neighborhood or backyard
Kids Learn Why Bees Are Awesome National Geographic	https://www.youtube.com/watch?v=z9zZ48ijZyk	Documentary short video	USA	ENG	A & M & K	Shows the experience of a school class with kids trying to do beekeeping and get used to the bees
Historical Uses of Honey as Food	UCTV Seminars	Online event	USA	ENG	A	A historical overview of honey use and production from pre-history to present.
Butterflies & Bees: The Power of Pollinators	https://www.youtube.com/watch?v=zfObTQoTb4Q	Promoting video	USA	ENG	A & M & K	Promoting video about the botanical garden in new mexico
Pollinator Park trailer	Pollinator Park trailer - YouTube	Promoting video	European	ENG	A & M & K	Animated 3D video about a imaginary pollinator park, that offers a mesmerising glimpse into the bleak future without pollinating insects, and a powerful wake-up call to humanity to repair its broken bond with nature
Pollinator Park - official launch	Pollinator Park - official launch - YouTube	Promoting video	European		A & M & K	Animated 3D video about a imaginary pollinator park, that offers a mesmerising glimpse into the bleak future without pollinating insects, and a powerful wake-up call to humanity to repair its broken bond with nature
What is the role of taxonomists and citizen scientists in conserving pollinators?	What is the role of taxonomists and citizen scientists in conserving pollinators? - YouTube	Documentary short video	European	ENG	A & M	Shows what is the job of a taxonomist and the citizens science in the conservation of pollinators
The life of Ants, Ants Pollinate of Flower	https://www.youtube.com/watch?v=0rQ4lFRnx3g	Video		ENG	A & M & K	Shows how the ants pollinate some flowers
Xerces Society - ABOUT BEE CITY USA & BEE CAMPUS USA (videos)	Webinars & Videos - Bee City USA	Promoting video	USA	ENG	A & M & K	A sort video about the history of honeybees that is known, the importance, the dangers that is facing and what humans can do to help them
	https://www.youtube.com/c/XercesSociety/featured	Youtube channel	USA	ENG	A & M & K	variety of videos about pollinators and farming
What's happening to the bees?	https://www.youtube.com/watch?v=pnY9R-felDA	Educational video		ENG	M & K	Animated video to promote awareness about the decline of bees population
Parts of Flower Pollination Video Video for Kids	https://www.youtube.com/watch?v=SiFaN2xQg5g	Educational video		ENG	K	Animated video to explain the parts of a flower and the pollination process
How to Build a Student Bee Club	https://www.youtube.com/watch?v=iiMaHX0bYAg	Online event	USA	ENG	A & M	Describing how to make a bee-club and they present their own experience

Back to School with the Bees Educator Resource Tour!	https://www.youtube.com/watch?v=M4xtFlegm08	Online event	USA	ENG	A	Explaining the project Bee educator, and the step that this learning process contains
BeeWise Challenge Day 1: Pollinator Action at the JC Raulston Arboretum Bee Hotel, Video One	https://www.youtube.com/watch?v=2tbC_VQCCno	Video		ENG	A & M & K	Monitoring and observing the visiting of the handmade bug hotel
Digital Bee Hive Experience + Educator's Companion Guide (συνοδεύεται με ένα pdf)	https://www.youtube.com/watch?v=Fow9eZq9Y14	Educational video	USA	ENG	A & M	Learning video through a digital hive experience
How Bees Can See the Invisible	https://www.youtube.com/watch?v=N1TUDFCOwjY&t=1s	Educational video	USA	ENG	A & M	Explaining what bees can see and what not
Using Bees to Pollinate - NatureFresh Farms	https://www.youtube.com/watch?v=xDhcPimVdWk	Promoting video		ENG	A & M & K	Shows how the agriculture uses the bees to pollinate their crops in agriculture
Bee Advocate Hive Investigations Guide for a Top Entrance Hive	https://www.thebeecause.org/bee-grant/video-bee-advocate-hive-investigations-guide/	Promoting video	USA	ENG	A & M & K	Learn how to investigate the top entrance beehive to look out for everything that a beekeeper need to know
The Honey Files - A Bee's Life.	https://www.youtube.com/watch?v=VZV8Jg3ka4s	Educational video		ENG	M & K	A children's educational video on how honey is made
Tales from the Hive	https://www.youtube.com/watch?v=i6C9th9rOOU	Educational video		ENG	A & M & K	The inside story of the honey bee hive
Vanishing Bees	https://www.imdb.com/title/tt1521877/	Documentary (trailer)	UK	ENG	A & M	This documentary takes a piercing investigative look at the economic, political and ecological implications of the worldwide disappearance of the honeybee
Queen of the Sun, What the Bees Are Telling Us	http://www.queenofthesun.com/store/watch-now/	Documentary (trailer)	USA	ENG	A	A spellbinding film takes the viewer on a journey through the catastrophic disappearance of honeybees and the mysterious world of the beehive by following the heartfelt struggles of beekeepers, scientists and philosophers
Wings of Life (Disney)	https://www.youtube.com/watch?v=gVJ8NBE15XY	Movie	USA	ENG	M & K	Movie for young ages with videos from natural environments and nice music, to explain the life in earth
Pollination of plants	https://vimeo.com/84240073	Educational video	Spain	ENG	M & K	The animated video discusses pollination explaining how the three most common types of pollination work (self-pollination, cross-pollination by wind, and cross-pollination by bees) and what impact has the "choice" for the plant of each of them
Pollination	https://vimeo.com/101449093	Video	Greece	ENG	A & M & K	Close catch up video, slow motion of pollination process from insects
Pollination	https://vimeo.com/239759911	Video	USA	ENG	A & M & K	Several short macro videos of bees and wasps over wild yellow flowers
Pollination Wunder Station - audio bee booth	https://vimeo.com/39484206	Video	USA	ENG	A & M & K	Video observation of an amplified habitat installation for solitary bees and wasps
Honeybees and Homemakers: Pollination and Gendered Labor	https://vimeo.com/182954150	Video installation	USA	ENG	A & M & K	Artistic video about the bee community structure
Flower Pollination	https://www.youtube.com/watch?v=ge3EM8AERV0	Educational video	USA	ENG	A & M & K	Educational short video explaining the flower pollination service
Reproduction and Brood Development - How are different kinds of bees created?	https://www.youtube.com/watch?v=wU8pMswHnVs	Educational video	USA	ENG	A & M & K	Explanation of the diverse bee size and kinds that exist

Facts About Bees 🐝 - Secret Nature Bee Documentary Natural History Channel	https://www.youtube.com/watch?v=mZTlatV1YIQ	Documentary		ENG	A & M	This documentary shows the amazing world of different kind of bees
GREEN PORNO: Bee Starring Isabella Rossellini	https://www.youtube.com/watch?v=X4tsEnGLKE4&t=118s	Artistic video	USA	ENG	A & M & K	A famous actress explores the mating habits of bees and other kind of organism in nature. It is a part from a collection of short films on animal sexual behaviour.
Cheese Puff Pollination	https://vimeo.com/436819331	Educational video	USA	ENG	K	Short video how pollination works, for kids
Post-Pollination	https://vimeo.com/378953481	Artistic video		ENG	A & M & K	A 3D animated video about the stages of flowering plants growth
M.r. Pollination Services Documentary	https://vimeo.com/124996577	Documentary short video	USA	ENG	A & M	This is the story about M.r. Pollination Services, a family business centered around Leafcutter Bees
POLLINATION BY BEES	https://vimeo.com/275414057	Educational video	UK	ENG	A & M & K	Short video explaining the importance of pollination service from bees
